Subject Index of Peer-reviewed Papers

Amputation

Falls in patients with lower limb amputations: Prevalence and contributing factors. J Kulkarni, S Wright, C Toole, J Morris, R Hirons.....130
One-year national survey of patients having a lower limb amputation, A. E Condie, S Treweek, D Jones, H Scott, SPARG 14

Cardiovascular Conditions

Vented electric left ventricular assist device, The: An alternative to cardiac transplantation? F Makin.....295

Cerebral Palsy

Arrow Walker for adults, The: Design, evaluation and commercial development. R Farley, W Douglas, M Szadurski, M Hood, A Findlay.....176
Frequent weightshift practice with computerised feedback by cerebral palsied children – Four single case experiments. A Hartveld, J Hegarty.....573

Cervical Spine Disorders

Relationship between cervical resting posture and neck pain, The. K Grimmer.....45
'Whiplash injuries' of the cervical spine: The relationship between the mechanism of injury and neural tissue involvement. E Yeung 286

Community Physiotherapy

Challenge of service provision in South Africa for patients with hemiplegia, The. L A Hale, P J Wallner.....156
Community based physiotherapy in the Trent Region: A survey. J C Seymour, K M Kerr.....514
Management of Duchenne muscular dystrophy in the community: Views of physiotherapists, GPs and school teachers. R Heap, M Mander, J Bond, K Bushby 258
Role of a domiciliary physiotherapist in the treatment of children with cystic fibrosis. D Rogers, M C Goodchild.....396
Survey of how community physiotherapists use their time, A. C Lang 222

Concepts and Theories

Concept of balance, The. M Ragnarsdottir.....368
Epistemology, private knowledge, and the *real* problems in physiotherapy. V J Robertson 534
Neuromusculoskeletal physiotherapy: Encouraging self-management. G Watson 352
Overview of the development of breathing exercises into the specialty of physiotherapy for heart and lung conditions, An. D Innocenti 681
'Whiplash injuries' of the cervical spine: The relationship between the mechanism of injury and neural tissue involvement. E Yeung 286

Continence

Detrusor instability in women: Its significance for continence therapists. K H Moore.....52
Links between pelvic biomechanics and lower urinary tract dysfunction. C Stone.....616
Pelvic floor muscle exercise therapy with myofeedback for women with stress urinary incontinence: A meta-analysis. Y P de Kruif, E E H van Wegen.....107
Urinary incontinence and constipation during pregnancy and after childbirth. K Marshall, D Totterdal, V McConnell, D N Walsh, M Whelan 98

Cystic Fibrosis

Current physiotherapy practice of new referrals to a Regional paediatric cystic fibrosis service. D Worthington, B A Kelman.....253
Cystic fibrosis patients' views and beliefs about chest clearance and exercise – A pilot study. L Carr, J A Pryor, R E Smith, C Partridge.....621
Role of a domiciliary physiotherapist in the treatment of children with cystic fibrosis. D Rogers, M C Goodchild.....396

Education

Introducing learning contracts into physiotherapy clinical education. V Cross.....21
Physiotherapy in the next century: Opportunities and challenges. J Potts.....150

Elder Rehabilitation

Physiotherapy in private nursing homes. J Duthie, R Chesson.....566
Preparing older people to cope after a fall. A C Reece, J M Simpson.....227, 324
Taming the gymnastic ball. R Oddy.....477
Training functional ability in old age. D A Skelton, A W McLaughlin.....159

Electrotherapy

Effects of electrical stimulation on the wrist of hemiplegic subjects. A D Pandyan, M H Granat, J Powell, D J Stott, C Futter.....184
Electromagnetic fields from shortwave diathermy equipment in physiotherapy departments. Y Lerman, R Jacubovich, A Caner, J Ribak.....456
Low intensity laser and phototherapy for rheumatoid arthritis. G C Goats, J A Hunter, E Flett, A Stirling 311
Progressive strengthening and stretching exercises and ultrasound for chronic lateral epicondylitis. T T Pienimäki, T K Tarvainen, P T Siira, H Vanharanta 522
Quantitative comparative assessment of the immediate response to high frequency ultrasound and low frequency ultrasound ('longwave therapy') in the treatment of acute ankle sprains, A. B Bradnock, H T Law, K Roscoe 78
Ultrasound therapy equipment – Does it perform? S Pye 39

Employment

Factors affecting physiotherapy graduate job selection. J M Warriner, A M Walker.....291

Ergonomics

Upper limb disorders – Time to relax? A Smith 31

Exercise Therapy and Kinesiology

Augmented feedback and physiotherapy practice. A Hartveld, J R Hegarty 480
Effect of straight leg raise exercises after lumbar decompression surgery, The. C Kitteringham.....115
Fixed load incremental respiratory muscle training: A pilot study. K Chatham, L Summers, J Baldwin, H Griffiths, W Oliver 422
Implementation of exercise programmes for prevention and treatment of low back pain, The. B Tancred, G Tancred ...168
Pelvic floor muscle exercise therapy with myofeedback for women with stress urinary incontinence: A meta-analysis. Y P de Kruif, E E H van Wegen.....107
Physiotherapy for osteoporosis: A pilot study comparing practice and knowledge in Scotland and Sweden. F Ritson, S Scott 390
Quantification of quadriceps passive resistance using isokinetic dynamometry. T R Ainslie, D J Beard.....628

Randomised trial of three different physiotherapy regimes in ankylosing spondylitis, A. P S Helliwell, C A Abbott, M A Chamberlain....85
Researches into the effectiveness of physiotherapy in rheumatoid arthritis of the hand. M Stewart....666
Taming the gymnastic ball. R Oddy....477
Training functional ability in old age. D A Skelton, A W McLaughlin....159

Falls

Falls in patients with lower limb amputations: Prevalence and contributing factors. J Kulkarni, S Wright, C Toole, J Morris, R Hirons....130
Preparing older people to cope after a fall. A C Reece, J M Simpson....227, 324

Feedback

Augmented feedback and physiotherapy practice. A Hartveld, J R Hegarty....480
Frequent weightshift practice with computerised feedback by cerebral palsied children – Four single case experiments. A Hartveld, J Hegarty....573
Tools to give computer feedback to movement. A Hartveld, J R Hegarty, A W Blurton....509

Health and Safety

Electromagnetic fields from shortwave diathermy equipment in physiotherapy departments. Y Lerman, R Jacubovich, A Caner, J Ribak....456
Occupational stress and neurological rehabilitation physiotherapists. J P Broom, J Williams....606

Hydrotherapy

Randomised trial of three different physiotherapy regimes in ankylosing spondylitis, A. P S Helliwell, C A Abbott, M A Chamberlain....85

Interdisciplinary Care

Management of Duchenne muscular dystrophy in the community: Views of physiotherapists, GPs and school teachers. R Heap, M Mander, J Bond, K Bushby....258
Outcome measures used in therapy departments in Scotland. R Chesson, M Macleod, S Massie....673

Learning Contracts

Introducing learning contracts into physiotherapy clinical education. V Cross....21

Low Back Disorders

Effect of straight leg raise exercises after lumbar decompression surgery, The. C Kitteringham....115
Implementation of exercise programmes for prevention and treatment of low back pain, The. B Tancred, G Tancred....168

Management

Managing delegation to physiotherapy assistants: Application of a functional analysis model. L Saunders....246
Physiotherapy in the next century: Opportunities and challenges. J Potts....150
Survey of how community physiotherapists use their time, A. C Lang....222

Musculoskeletal Disorders

Links between pelvic biomechanics and lower urinary dysfunction. C Stone....616
Low intensity laser and phototherapy for rheumatoid arthritis. G C Goats, J A Hunter, E Flett, A Stirling....311
Neuromusculoskeletal physiotherapy: Encouraging self-management. G Watson....352
Patello-femoral pain: Is the A-angle a clinically useful measurement? J Selfe, D L Gillard, S C Marshall....324
Progressive strengthening and stretching exercises and ultrasound for chronic lateral epicondylitis. T T Pienimäki, T K Tarvainen, P T Siira, H Vanharanta....522
Quantification of quadriceps passive resistance using isokinetic dynamometry. T R Ainslie, D J Beard....628
Quantitative comparative assessment of the immediate response to high frequency ultrasound and low frequency ultrasound ('longwave therapy') in the treatment of acute ankle sprains, A. B Bradnock, H T Law, K Roscoe....78
Researches into the effectiveness of physiotherapy in rheumatoid arthritis of the hand. M Stewart....666
Role of the illiotibial tract in patellofemoral pain and iliotibial band friction syndromes, The. S J Rouse....199
Standing forward flexion test, The: An inaccurate determinant of sacroiliac joint dysfunction. D Egan, J Cole, L Twomey....236
Upper limb disorders – Time to relax? A Smith....31

Neurological Rehabilitation

Challenge of service provision in South Africa for patients with hemiplegia, The. L A Hale, P J Wallner....156
Concept of balance, The. M Ragnarsdottir....368
Effects of electrical stimulation on the wrist of hemiplegic subjects. A D Pandyan, M H Granat, J Powell, D J Stott, C Futter....184
Occupational stress and neurological rehabilitation physiotherapists. J P Broom, J Williams....606
Research on users' views about stroke services: Towards an empowerment research paradigm or more of the same? C Thomas, A Parry....6
'Whiplash injuries' of the cervical spine: The relationship between the mechanism of injury and neural tissue involvement. E Yeung....286

Orthoses, Aids and Devices

Arrow Walker for adults, The,: Design, evaluation and commercial development. R Farley, W Douglas, M Szadurski, M Hood, A Findlay....176
Falls in patients with lower limb amputations: Prevalence and contributing factors. J Kulkarni, S Wright, C Toole, J Morris, R Hirons....130
Pragmatics in the issuing of sticks and frames. C Wilkin....331
Vented electric left ventricular assist device, The: An alternative to cardiac transplantation? F Makin....295

Outcome Measurement

Focus groups in physiotherapy evaluation and research. J Sim, J Snell....189
Key physiotherapy indicators for quality of stroke care.S Lennon, M Hastings....655
One-year national survey of patients having a lower limb amputation, A. E Condie, S Treweek, D Jones, H Scott, SPARG....14
Outcome measures used in therapy departments in Scotland. R Chesson, M Macleod, S Massie....673
What do you let the patient tell you? B Martlew....558

Pain

Psychological models of chronic pain and implications for practice. N Adams, J Ravey, D Taylor....124
Relationship between cervical resting posture and neck pain, The. K Grimmer....45
Role of the illiotibial tract in patellofemoral pain and iliotibial band friction syndromes, The. S J Rouse....199

Palliative Care

What do you let the patient tell you? B Martlew....558

Physiotherapy Assistants

Ethnographic inquiry into physiotherapy research
1. Illuminating the working culture of the physiotherapy assistant. S Smith....342
2. Role of the self in qualitative research, The. S Smith....349
Managing delegation to physiotherapy assistants: Application of a functional analysis model. L Saunders....246

Primary Health Care

Surveys of the experience and perceptions of post-natal superficial dyspareunia of post-natal women, general practitioners and physiotherapists. J Hay-Smith, J Mantle....91

Professional and Staff Development

Factors affecting physiotherapy graduate job selection. J M Warriner, A M Walker....291
Neuromusculoskeletal physiotherapy: Encouraging self-management. G Watson....352
Taming the gymnastic ball. R Oddy....477

Provision of Services

Challenge of service provision in South Africa for patients with hemiplegia, The. L A Hale, P J Wallner....156
Community based physiotherapy in the Trent region: A survey. J C Seymour, K M Kerr....514
What do you let the patient tell you? B Martlew....558

Psychological Models

Psychological models of chronic pain and implications for practice. N Adams, J Ravey, D Taylor....124

Research Methodology

Ethnographic inquiry into physiotherapy research 1. Illuminating the working culture of the physiotherapy assistant. S Smith....342
2. Role of the self in qualitative research, The. S Smith....349
Focus groups in physiotherapy evaluation and research. J Sim, J Snell....189
Physiotherapy re-entry: A case study. E B Boonyawiroj....447
Research on users' views about stroke services: Towards an empowerment research paradigm or more of the same? C Thomas, A Parry....6

Respiratory Care
